Hi Amelia and Becky:

We are working on setting up a date for this meeting. We are trying to select a date the week of February 10 (10, 11, or 12). Let me know if you have any limitations in your schedules on these dates. I believe this will be set up as a conference call.

Please see the attached email chain for an understanding of the issues and concerns to be discussed.

Thank You.
Cathy

Hi Cathy,

I got your VM. Thank you for thinking of having EPA attend the meeting. Amelia is returning on January 30th and has a conflict on 2/5 so if you could schedule a meeting around those dates that would be ideal.

Thanks,
